PROPERTY DESCRIPTION

The covered front porch of this cape is inviting and relaxing...sit a bit and enjoy the views of the mountains and trees that surround this lovely home.

Step into the home and find a wood fireplace in the living room and a very nice dining area— offering a built-in hutch. The kitchen is quite spacious and is enhanced with natural lighting. There are 2 bedrooms on the first floor and a full bath.

Upstairs are 2 bedrooms and a full bath as well. Both bedrooms are oversized- one of the large bedrooms offers newly sheetrocked ceiling and walls and hardwood floors- very nicely done ! The other large bedroom offers tounge and groove and has a large unfinished area that could be a master bath, finished into a large play area—or leave as is for storage.

The lower level is waiting for new owners creative touch- high celings make the possibilty of finishing the area off for added space—if you find you need it..**NOTE:there is a door leading to the exterior of the house into the back yard.

The yard is VERY LARGE and is fenced in and enhanced with shade from several mature trees...all to be enjoyed from the backyard patio....A separate garage and workshop complete this home and all it offers. this home is a must see....make your appt today to see why...
